EVENTS

About the Institution

Sri Paramakalyani College was founded in 1963 by Late Sri. S. Anantharamakrishnan, a doyen of Industry in South India and a great visionary. The college is run by Sri Paramakalyani Education Society, with Sri A. Sivasailam (Padmashree awardee) as President and Sri. A. Krishnamoorthy as a member of the governing body.

The Vedic adage "Through Knowledge to Immortality" is the mission of our institution. With cent percent efficiency and cent percent character as our goal, we strive to provide value based, quality higher education at an affordable cost, to the people living in and around Alwarkurichi.

About the Department

The Department of Computer Science was established in 2016 to provide quality education to the rural students in Computer Science. It Offering undergraduate and post graduate level (B.Sc., M.Sc.) courses. The Department is enriched with good infrastructure like library, separate computer lab for UG & PG with licensed software. Department regularly organizes Innovative and relevant activities for the students. Teaching faculties are involved in various research activities and projects. The department realized the need of the recent technology development in the competitive world and motivate the students to learn new technologies by guiding and teaching.
